## SALT TABLETS

Tabletirana sol je nepogrešljiva pri mehčanju in pripravi vode. Z njeno uporabo pri pranju preprečite nalaganje vodnega kamna na grelcih in stenah posod ali rezervoarjev, kar pomeni manj okvar, nižjo porabo energije in daljšo delovanje vaših naprav.

Essential for water softening and treatment, salt tablets help prevent limescale buildup on heaters and container walls during washing. This reduces wear and tear, lowers energy consumption, and extends the lifespan of your equipment.
